Subject: My blog re/ big-tent label of "the homeless"
Date: Saturday, February 20, 2016 5:56:35 PM

Greetings fellow Task Force members,

As promised, here is a link to a blog I wrote last week which captures my observations about the negative consequences of lumping all individuals experiencing homelessness under one big tent. It may be a bit clunky, but perhaps it will start the conversation about moving away from a catch-all label which may pre-suppose a catch-all response.

Have a good weekend!

Kerry
